- (b) all standards, covenants and other requirements of the Act that must be included in this Deed from time to time for the Fund to be a Complying Fund ("Mandatory Provisions") are deemed to be included in this Deed, whether or not they are specified in the Deed. If there is any inconsistency between any Mandatory Provision and any other provision of this Deed, the Mandatory Provision prevails and the other provisions of this Deed are modified or deleted to the extent of the inconsistency. However, if a Mandatory Provision is no longer required to be included or the Regulator does not require it to be included or complied with, then that Mandatory Provision ceases to be included.
- (c) if a provision of this Deed would otherwise be invalid in whole or in part because it subjects the Trustee to direction by another person then the provision is taken not to subject the Trustee to direction by that person but to give the Trustee the power to treat such a direction as a request only.
- (d) if a provision of this Deed would otherwise be invalid in whole or in part because it permits a person to exercise a discretion without the consent of the Trustee then that provision is taken to require the Trustee's consent for the exercise of the discretion.
- (e) the Trustee
 - (i) may do or procure to be done any acts, matters or things that in the opinion of the Trustee may be necessary or desirable to comply with the Superannuation Conditions;
 - (ii) must refrain from doing any act, matter or thing that would result in a breach of the Superannuation Conditions; and

2.4 Inconsistencies with the Superannuation Conditions

Where it appears to the Trustee that there is any inconsistency or difference between:-

- (a) any provision of any applicable legislation or other laws *and* another provision or provisions;
- (b) the rulings of the Regulator *and* other rulings of the Regulator;
- (c) a provision of this Deed *and* another provision of this Deed; *and/or*
- (d) anything referred to in any of the above sub-paragraphs, *and* any other thing referred to any other sub-paragraph,

then, subject to the Superannuation Conditions, the Trustee may determine, either generally or in respect of any particular application, in their absolute discretion, which provision or ruling applies and the Deed must be construed accordingly.

2.5 Proper Law

This Deed is governed and construed and takes effect in accordance with the laws of the State or Territory of residence of the Trustee or if the Trustee is a Constitutional Corporation, the State or Territory of the address of its registered office unless the Trustee resolves otherwise. Any person having or claiming any interest under this Deed must submit to the jurisdiction of the courts of that State or Territory.

2.6 Saving Provision

To the extent any provision of this Deed would be void or invalid, but for this sub-paragraph ("an invalid provision"):-

- (a) where a reading down or limitation of the operation of the invalid provision would remove the voidness or invalidity, that must be done in construing the Deed;
- (b) where it is not possible to apply sub-paragraph (a), the invalid provision is severed from the Deed, and
- (c) in any event, an invalid provision does not affect the continued operation of the remainder of the Deed.

2.7 Trustee must comply with the Law

The Trustee is not in breach of this Deed if the breach arises from an act or failure that the Regulator waives or does not enforce.

3. SOLE PURPOSE TEST

The Trustee must ensure that the Fund is maintained solely for one or more of the core purposes or both one or more of the core purposes and for one or more of the ancillary purposes provided in the SIS Act.
